**List of Figures and Tables**

### **PART 1**

#### **Basic Principles of Activity Theory**

##### **1 Introduction**

1. Behaviour, Consciousness and Activity
2. Substance, Monism and Dualism
3. Continuity and Discontinuity
4. Actions, Goals and Motives
  - 4.1 *Operations*
5. Artefacts
  - 5.1 *Words, Tools and Signs*
6. Activities
  - 6.1 *What is an Activity?*
  - 6.2 *Activities which fall short of Leontyev's ideal-typical activity*
7. Motivation
  - 7.1 *The "Unconscious"?*
8. The Genealogy of Activity Theory
9. Activity Theory and Vygotsky's Socio-Cultural Theory
10. Germ Cell and Unit of Analysis
11. Activities and Concepts
12. Abstract and Concrete
13. Analysis by Units and Analysis by Elements
  - 13.1 *Monism again*
14. Subject, Object and Participant Research
15. Activities have a Life Cycle
16. The Context of Activities
  - 16.1 *The Immediate and Societal Contexts of Activities*
  - 16.2 *The Historical Context of Activities*
17. *Perezhivanie*
18. The Development of the Personality
19. Narrative Analysis
20. Summary: motivation

### **PART 2:**

***Diverse Research in Activity Theory***

## Introduction to Part 2

### 2 Building institutions

1. A child learning to read.
  - 1.1 *Question Asking Reading (King, Griffin, et al.)*
  - 1.2 *Putting academic knowledge to work*
2. Vasilyuk's work on resolving "impossible situations"
  - 2.1 *Types of "life-world"*
  - 2.2 *Types of Perezhivanie*
3. A wage worker employed in a capitalist firm

### 3 Activities characterised by a Narrative

1. The life course of an individual person
  - 1.1 *Luria's Romantic Science*
2. The narrative of a patient visiting a hospital and receiving treatment
  - 1.1 *The story of a female trainee surgeon who chooses to leave training*
  - 1.2 *A medical student in their first months as a hospital doctor*
3. The history of a practice, such as a science or profession

### 4 Transformative Projects

1. The activist stance
  - 1.1 Agency
    - 1.1.1 Vygotsky on Self-Control
    - 1.1.2 Sannino on Collective Decisions
    - 1.1.3 Gutiérrez on Transgression
    - 1.1.4 Stetsenko on Agency
    - 1.1.5 Holland and Edwards on Relational Agency
    - 1.1.6 Horton on Freedom
    - 1.1.7 Discussion
2. The germ cell of a new practice
  - 2.1 Marx's use of the idea of a germ cell or unit in Capital
    - 2.1.1 The introduction of trade into a traditional society
  - 2.2 *Vygotsky made word meaning a unit of analysis*
    - 2.2.1 Concepts and Activities
  - 2.3 *Vasily Davydov's mathematics curriculum*

### 5 Intervening with Activity Theory

1. Transforming activities with a germ cell
  - 1.1 *The sit-to-stand exercise*
  - 1.2 *Junior doctors using purple pen for prescribing*
  - 1.3 *Collaborative Learning Spaces*
  - 1.4 *The "root model" for teaching topics in school*

### 6. Political Life

1. A trade union organising workers in an enterprise
2. Rival political parties competing for government of the country
  - 2.1 *Elections*

## 2.2 *The formation of public opinion*

### **7. Social Movements**

1. The women's liberation movement
  - 1.1 *The life cycle of the WLM*
  - 1.2 *The WLM as a learning process*
  - 1.3 *Decision making within projects*
  - 1.4 *Transforming the object-concept*
  - 1.5 *Relations between projects*
  - 1.6 *The Urpraxis of a movement*

### **8 Incoherent Activities**

1. Activities characterised by a shared motif
  - 1.1 *The Solar Punk youth movement*
  - 1.2 *The anti-vax campaign against public health measures*

### **9 Formative Interventions**

- 1 Construction of utopian forms of activity as educational artefacts
  - 1.1 *Mike Cole et al.'s 5th Dimension*
  - 1.2 *Aydin Bal's Learning Lab*
  - 1.3 *Fernanda Liberali's LACE*
- 2 Postcolonial projects

### **10 Ethics**

- 1 The Ethics of Collaboration
  - 1.1 *Social Science and Ethics*
  - 1.2 *Modern Ethics*
    - 1.2.1 *Religion and Ethics*
    - 1.2.2 *John Rawls' Political Liberalism*
    - 1.2.3 *Habermas's Communicative Ethics*
    - 1.2.4 *Seyla Benhabib*
    - 1.2.5 *Amartya Sen*
    - 1.2.6 *Agnes Heller*
    - 1.2.7 *Alasdair MacIntyre*
    - 1.2.8 *Thick and Thin Ethos*
  - 1.3 Collaborative Ethics
  - 1.4 Participant researchers
- 2 Social class
- 3 The *Urpraxis* of Socialism
  - 3.1 The worldwide anti-capitalist struggle

## **Conclusion**
